Figure 19 shows a circular, grainy, high-contrast image with a bright central spot and a dark outer ring. Figure 20 shows a circular, grainy, high-contrast image with a bright central spot and a dark outer ring. Figure 21 shows a circular, grainy, high-contrast image with a bright central spot and a dark outer ring.

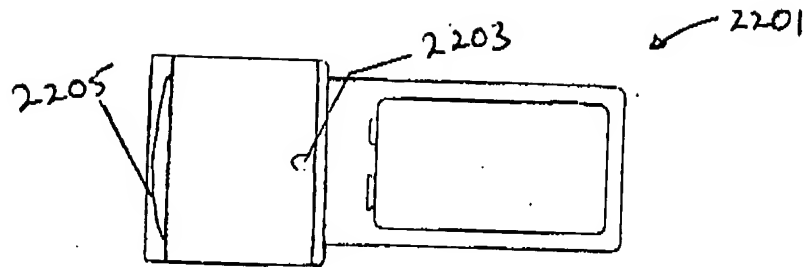

FIG. 22

FIG. 22 is a schematic diagram of a microwave oven 2201 with its door 2205 open. The door 2205 is hinged on the left side and has a handle 2203 on the right side. The interior of the door 2205 is shown as a rectangular cavity.
